Subject: Icelandic Whaling

Good morning Susan/DJ,

We are writing to inform you of the following,

We have discontinued importation of any products from Friosur, S.A. Chile

We have never imported ANY seafood products from Iceland

We have never done any business with the company HB Grandi

We are not supportive of ANY commercial Whaling or trade in whale products. We require that our suppliers not engage in commercial whaling or trade in whale products. We defer to FISH WISE, MSC and the New England Aquarium in regard to sustainability and/or FIP in regard to any products we handle.

We have great respect for organizations such as yours and the work that you do in championing our Oceans and the species that inhabit it.

We hope the above letter makes clear our position clear on this subject

Best regards,
